

Maulida Safa Azzahra

Software Engineering Vocational
High school'23

Profile

I'm a 12th-grade student majoring in Rekayasa Perangkat Lunak (Software Engineering) at SMK Negeri 2 Balikpapan with strong skills in programming, cybersecurity, and public speaking. I've earned awards in national tech programs and city-level competitions. Passionate about Artificial Intelligence, I aim to explore and research its real-world impact through continuous learning and projects.

Experience & Achievements

Sports and Health Division Coordinator 2022 – 2023

Student Council (OSIS) – SMPN 6 Balikpapan

- Led and coordinated sports and health-related activities within the school.
